Dear brother Totty:

I did make a presentation at the Nashville Campus Evangelism Seminars. It was a Bible study entitled "Jesus in Me."

Your question regarding the Holy Spirit was not well enough defined in your letter for me to be able to answer it. I do believe, however, that if you are genuinely interested in the truth about what I taught regarding the Holy Spirit in that particular lesson that you will write the Campus Evangelism people in Houston and request a copy of the tape at that particular talk.

Sincerely yours,

John Allen Chalk

Dear Brother Chalk:

In a recent issue of a publication entitled Go, Don Reece had an article under the heading "Observations on the Nashville Seminar" in which he discussed points which you are supposed to have made in a speech relative to the indwelling of the Holy Spirit.

Since there has been so much discussion about those campus evangelistic meetings and their position on the indwelling of the Holy Spirit, will you please give me a statement as to whether or not you believe the Holy Spirit actually and literally dwells in a Christian. I shall appreciate that very much.

Faithfully,

W. L. Totty
